Good Morning Brett,

I have reviewed the information you provided for the Muscogee Nation Duck Creek Meat Processing Plant (Looped Square Meat Co.). I have a couple of clarification questions that I want to discuss with you. The remaining of this week I am not available, however next week on Monday and Tuesday (Sept 13 and Sept 14) my schedule is pretty open. Please let me know if either of these days you have a time slot available to meet and I will set up a Microsoft Teams meeting with you. This meeting should take about an 1 hour. If these days don't work, just let me know what day and time is best for you.

Thank you, Erica
